Why choose Bethel University?

A TRUE CHRISTIAN UNIVERSITY

Bethel University is a leader in Christian higher education. Our fusion of evangelical faith with top-ranked academics has transformed men and women, preparing for unique callings in the Kingdom of God.

With 106 academic programs in two colleges, a graduate school and seminary, we are one of the most comprehensive, interdenominational Christian universities in the nation. Everything we do at Bethel is guided by our core values, which are rooted in scripture.

As a football program, we want to be blatant about the foundation of our team. Winning is critical, and it is our goal to work and prepare in such a way that we will compete for championships...and we do! That being said, the foundation of our team is based on the core values of having gratefulness in all things, toughness in discipline, and being devoted to our brothers and the King.

We understand that everyone is at a different point in their journey of faith, we desire young men that are seeking this in their lives. We are not perfect, but we are forgiven! Because of that, we are able to live with a gratefulness of heart that allows us to love our teammates in authentic ways...through encouragement and accountability.

If this sounds like what you want in a college, we would love to continue to build a relationship with you.
