### WHY CHOOSE BETHEL UNIVERSITY

#### BEAUTIFUL CAMPUS AND FACILITIES

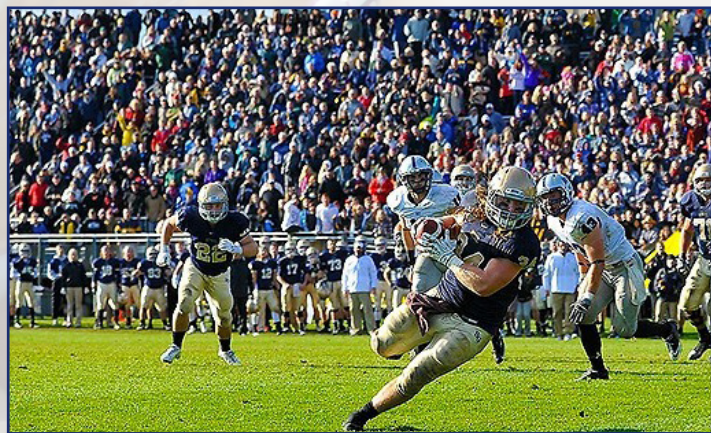

Bethel University's 289-acre campus holds 2,700 undergraduate students and supports 6,500 total students. The campus has up to date buildings and classrooms, a new 110,000 square foot Brushaber Commons with campus store, three dining areas and common student space. Also within the last year, Bethel constructed an 11,000 square foot wellness center with free-weights, cardio and studio space. As a part of the construction, all of Bethel's locker rooms were upgraded along with adding office space, meeting space and a media room.
