8 NCAA PLAYOFF APPEARANCES • 5 MIAC TITLES • 2 NCAA WEST REGION CHAMPIONSHIPS

ROYALS FOOTBALL

WHY CHOOSE BETHEL UNIVERSITY

A STRONG DEGREE

Bethel University has over 100 academic programs in two colleges, a graduate school, and a seminary. As a comprehensive liberal arts university, we have 88 majors, 43 minors and 11 pre-professional programs. Despite the name “Arts and Sciences,” Bethel offers undergraduate majors in engaging fields, including business, education, communication, nursing, all the hard sciences, athletic training, social work, biblical studies, and youth ministry, to name just a few. Also, over half of all students take advantage of our 30 study-abroad programs.

We’re committed to making the classroom experience meaningful. Credit goes to small classes averaging just 12 students and to our Christian professors who hail from top graduate schools and are devoted to mentoring their students.

Highlights of our academic programs are:

- Within three months of graduation, 97% of the graduating class pursuing employment were hired full-time
- Highest graduation rates in Minnesota (85%)
- 7th nationally in study abroad programs (still graduate in four years)
- Preprofessional programs (pre-med, PA, PT, etc.) have placement rate of 90-95% for students applying to their school of choice (national average is 35%)
- Business: 92% of students were hired prior to graduation
- Business: over 90% of internships are paid
- Business: second in Minnesota in CPA exam score
- Education: top ranked Elementary Education program in Minnesota (13th nationally)
- Math/Science: Top 10 nationally in CoMAP competition
- Math/Science: 98-100% job placement rate
- Communications: 98% of graduates who seek full “assistant ships,” receive them for graduate school
- Physics: Selected as one of 21 “thriving” physics departments (of 780 across the nation) by National Task Force on Undergraduate Physics

A degree from Bethel University stands out in today’s competitive marketplace!
